

**CIRCULAR TO PARENTS (Grade 2 to 12)**

Circular no: UIS/012/2020-21

April 26, 2020

Dear Parent,

Greetings from GEMS United Indian School!

**Subject: Active Kids – Photos & Videos**

We are delighted to see that many of our students are taking part in “Active Kids”, an online well-being program to keep them physically healthy and fit during this pandemic situation. The Active Kids portal helps your ward stay active through preset activities and tasks and in turn allows them to earn points by watching and following them. They can double up their points by recording their achievements for each activity and uploading the evidence to the portal. Please encourage your ward to access the Active Kids website on a daily basis.

Parents may mail their ward’s photos and videos displaying their participation in these tasks to [info\\_uis@gemsedu.com](mailto:info_uis@gemsedu.com) so that we can share them with our wider community.

**How to access Active Kids?**

Students in Grade 2 and above can access Active Kids <[www.activekids.phoenixclassroom.com](http://www.activekids.phoenixclassroom.com)> using their existing student credentials that they use to access Phoenix Classroom.

**Support**

The application is intuitive with minimal external support required. If you face any difficulties logging in, please reach out to our ICT Engineer Mr. Anil George at [anil.g\\_uis@gemsedu.com](mailto:anil.g_uis@gemsedu.com).

The Active Kids User Walk Through manual is attached for reference.

Stay Safe- Stay Healthy!

Yours sincerely,

**K. George Mathew**  
Principal/CEO
