As per ADEK directives, all students who have opted to attend school physically for face-to-face session will begin to attend school w.e.f. **Sunday, September 27, 2020**. However, these students need to be tested for COVID-19 prior to returning to school and free testing for our school is scheduled as follows:

Please present our school code **KS-9259** along with your ward's **original Emirates ID** at the drive through screening center for the free testing. Please note that the result of the test needs to be shared with the school. You will be receiving an email shortly from us regarding the steps to follow to upload the COVID-19 test result of your ward on Phoenix or e-mail the result to clinic_uis@gemsedu.com.

Students using school transport: Your ward will be picked up from the regular pick-up point ONLY IF THE SCHOOL receives the PCR report reading '**Negative**'.

Students using Own Transport: Please drop your ward at either **Gate # 2 or 3** where the PCR result is checked before entering the school premises.
