

CIRCULAR TO PARENTS (KG to Grade 12)

Circular no: UIS/127/2020-21

December 30, 2020

Dear Parent,

Greetings from GEMS United Indian School!

Subject: Distance Learning for The First Two Weeks for the Upcoming Term

We hope you are doing well and that your family is staying safe at home.

ADEK has been very supportive in ensuring safety of staff and students during this current pandemic situation.

As you are aware, the health situation is constantly being updated and we need to be agile as we adapt to the new circumstances. It is our collective responsibility to keep our school and communities safe.

To ensure a safe return to schooling and as a precautionary measure, ADEK has approved remote learning for the first 2 weeks (**January 3, 2021- January 14, 2021**).

It has been decided by the relevant authorities that the first two weeks of the upcoming term will be in **distance learning mode for all students**. Kindly note that the preferred learning mode chosen already (Face to Face and Online learning) stays the same for the students.

Physical classes for students who have chosen face to face learning will resume on **Sunday, January 17, 2021**.

Students who have opted to come to school in physical attendance and are yet to take the COVID-19 test (above the age of 12 years) may hold on until further instruction. All students returning to face-to-face learning on 17 January 2021 will have to **retake the COVID-19 test (above the age of 12 years) to attend school**. A free testing schedule will be sent to you soon.

In this context, CASE exam for Grade 10 and 12 will be postponed until Jan 17. Regular online classes will continue until then. Revised schedule for CASE Exam (School Final Exam) will be shared shortly by the class teacher on the portal.

Please be flexible to accommodate the changes or updates with regards to the policies and guidelines.

Thanks for your continued support.

Regards,

K. George Mathew
Principal/CEO
