

CIRCULAR TO PARENTS (Grades 10 & 12)

Circular no: UIS/149/2020-21

February 4, 2021

Dear Parent,

Greetings from GEMS United Indian School!

Subject: Back to School

We hope you are doing well and that your family is staying safe at home.

The CBSE board examination date sheet is shared with you. Students are required to do these exams by being physically present at the Examination center.

You are aware that the CASE examination will serve as school based final examination for Grade 10 and 12.

The practice students get doing the CASE exam as Model Board exam will help them a great deal!

As per ADEK directives, we will be reopening school physically for all students on **Sunday, February 14, 2021**. Grade 10 and Grade 12 students can now attend CASE exam as per schedule.

Students coming back to school physically should be tested for COVID-19. (People of Determination are exempt). Please note that ADEK is liaising with health authorities regarding the **testing schedule for students (above the age of 12)**. We will update you as soon as we hear back from ADEK regarding the same.

The revised CASE examination schedule as well as the Board Exam schedule is attached along with the circular.

Rest assured, we are continuing with the cleaning and sanitizing process in our school according to guidelines from Health Authority and other government departments.

Wish each of our students the very best!

Regards,

K. George Mathew
