## **Rationale**

At GEMS UIS, we believe that students work best and achieve more when their uniform is comfortable, functional and smart. All students shall be always neatly dressed in proper school uniform.

The aim of our uniform is for students to present a neat, work-like appearance at all times and to take pride in being members of our school. Personal appearance is very important, and a high standard is always expected of all students, both inside UIS campus and outside in the local community. We particularly ask for parents' support and cooperation in this respect as the students are our ambassadors and how they look reflects on all of us, this includes on their way to, at, and on the way home from the school. It is a symbol by which students are recognized within the community, and it fosters a sense of pride.

## **BOY**

- He shall not wear pants below the waist. The shirt shall be long enough to be tucked in properly. The tie shall be worn where it is meant to be and under no circumstances will be seen hanging loose.
- He shall not be seen wearing colored sweater/cardigan other than school uniform sweater/cardigan.
- On days when students are permitted to wear colored or casual clothes, boys are reminded that lungis, mundus, dhotis, or similar attire are not allowed, as they do not align with the standards of appropriate school attire.
- He shall not let his hair remain in any other form other than what is instructed by the school discipline committee. No fashion style is permitted inside the school campus.
- He shall be required to maintain a short and neat haircut as part of the school grooming standards and that is seen appropriate for a school going boy.
- He shall refrain from having his hair braided while attending school.
- He shall not colour any part of his hair.
- The school ID card must be visible at all times.
- He shall not wear accessories such as fancy wrist bands, rings, chains, bracelets, etc.
- He shall refrain from wearing piercings while on school premises.
- He shall wear the school belt and blue socks as part of the uniform.
- No ankle length and colored socks are allowed.

**GIRL**

- She shall wear a skirt that falls well up to her knee and shirt that is not too tight.
- She shall wear tights, strictly black or white, either knee length or ankle length underneath her skirt and shall wear socks of decent length.
- She shall not be seen wearing colored sweater/cardigan other than school uniform sweater/cardigan.
- She shall adhere to the prescribed school uniform guidelines. Girls are kindly reminded that wearing the abaya or burkha in school is not permitted, as it is not part of the official school uniform.
- She shall refrain from wearing multiple piercings and septum piercing while on school premises.
- She shall wear the school belt and blue socks as part of the uniform.
- No ankle length and colored socks are allowed.
- She shall refrain from using or carrying cosmetic products like eyeliner, kajal, lipstick, lip liner, face powder, foundation, mascara, nail polish, etc. to school.
- She shall have her hair neatly tied or braided and wear the school hairband as per the school dress code - members of the discipline committee reserve the right to do so for the student in case it is found not to be in proper order.
- She shall ensure that her nails are kept short and refrain from applying any nail polish.
- She shall not colour any part of her hair.
- The school ID card must be visible at all times.

**PE uniform and expectations:**

Physical Education is a compulsory part of the curriculum. Our students participate in a wide range of Physical Education (PE) lessons. For these lessons, they will need to wear the appropriate PE uniform and white shoes.

P.E uniform should be worn only on the days scheduled for P.E.

Hats and water bottles need to be brought for every lesson. Cleats/Football shoes (shoes with spikes) should not be worn for PE unless instructed by PE teacher.
